

Saratoga Screwreleasing Oil Technical Data Sheet

Saratoga Screwreleasing Oil super unlocker, citrus fragrance.

APPLICATION FIELDS

Saratoga Screwreleasing Oil unlocks immediately nuts, screws, bolt, mechanical couplings, bearings and locks blocked by rust, oxidation, encrustations and varnishes. Inhibits corrosive and oxidising factors and has a high lubricant power.

Removes every humidity trace from circuits and electrical system, can be used as a cutting oil to thread.

It is neutral on metals, varnishes and rubber.

The special "All positions" valve allows to use the can in any position.

APPLICATION

- Spray directly on the part to loosen.
- Leave the fluid penetrating.
- Unbolt.
