

Saratoga Paint

Saratoga Paint is the permanent ink based covering marker ideal for use on different surfaces.

APPLICATION FIELDS

To mark any material, even if oily: leather, plastic, glass, ceramic, wood, metal, fabric.

It is water resistant, has excellent coverage and does not fade; ideal also for outdoor use.

APPLICATION

- Shake marker well making the little ball contained inside moving back and forth.
- Press the retractable tip several times on a piece of paper until the colour comes out.
- Tighten the cap well after use.

If the color becomes transparent, remove the excess solvent by cleaning the tip with paper or fabric.

Specific data	
Appearance	liquid
Colour	various
Odour	typical
Water solubility	insoluble
Container	aluminium
Tip	synthetic

STORAGE AND SHELF LIFE

In unopened original packaging, between +20 and +25°C.
