AC 020

EC CERTIFICATE OF CONFORMITY

1488-CPD-0142/W

In compliance the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products, amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

FORTE PRESA PREMIUM VINILESTERE

Bonded anchor with anchor rod made of galvanized steel or stainless steel of sizes M8, M10, M12, M16, M20 i M24 for use in non-cracked concrete
(intended use of the product according to the subparagraph 1.2 of ETA-10/0110)

placed on the market by

SARATOGA INT. SFORZA SpA
Via Edison 76
20090 Trezzano s/Naviglio MI
Italy

and produced in the factory

39-060

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body - *Building Research Institute* - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the ETA

ETA-10/0110

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 21.06.2010 and remains valid until 29.07.2014 provided that as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
