

Saratoga Acetic Silicone with Anti-mould protection

Saratoga Acetic Silicone with Anti-mould protection is an acetic one-component silicone sealant, that cures quickly thanks to the atmospheric humidity, creating an elastic and adhesive seal. It is pure silicone, does not contain solvents.

Has excellent adhesion to glass, ceramic, steel, aluminium, some plastic materials, wood and varnished supports.

APPLICATION FIELDS

Saratoga Acetic Silicone with Anti-mould protection has a universal use on non-porous supports, such as glass, ceramic, aluminium, varnished metals, some plastic materials (except for PE, PP, PTFE), it is used for sealing between door and window frames and glasses, bathrooms, kitchens, shower boxes and sanitary ware in general.

APPLICATION

All surfaces must be compact, clean, dry, dust free and degreased.

- It is recommended to use a masking tape on both sides of the joint for a better result (remove right after application).
- Cannot be painted, therefore, paint before applying.
- Apply at the bottom of the gap some insulation material (such as adhesive tape); with deep gaps, fill with some fill-up material (such as Saratoga Joint-Filler or expanded plastic).
- Cut the nozzle at the desired diameter.
- Apply using a standard sealant gun.

Clean surfaces and tools within 10 minutes with a clean cloth wetted with solvent or Saratoga Via•Sil Fresco. When cured, clean with Saratoga Via•Sil Indurito.

Specific data	
Kind of sealant	Acetic silicone sealant
Colour	Transparent
Specific weight	0,97
Consistency	Thixotropic
Working time (minutes)*	10
Cure time*	2-3 mm/24 hours
Application temperature	+5 / +40 °C
Heat resistance	-40 / +120 °C

*At 23°C and 50% Relative Humidity

STORAGE AND SHELF LIFE

Between +20 and +25°C its shelf life is 24 months since manufacturing date.

CAUTIONS

When curing, it exhales a small quantity of acetic acid. Therefore, ensure to ventilate your working environment.

Keep out of the reach of children.

Consult Material Safety Data Sheet for full list of hazards and the directions on the product label itself.
